

**Attorney General Steve Marshall Presents Lee-Scott Academy  
with 2019 Safe School Award**

(MONTGOMERY) – Attorney General Steve Marshall today presented Lee-Scott Academy in Auburn with the Alabama Safe Schools Initiative Attorney General’s 2019 Safe School Award for a private school. There is one statewide award for a private school, of which Lee-Scott is the recipient.

Schools were selected as winners of the Attorney General’s 2019 Safe School Award from each of the eight state school board districts as well as one private school statewide. In addition, three schools were selected for the Attorney General’s 2019 Safe School Award of Excellence and 61 schools were selected for the Attorney General’s 2019 Certificate of Building a Culture for School Safety.

“The safety of our schoolchildren is a vital matter foremost in all of our minds and hearts, and this year we have enhanced the Alabama Safe Schools Initiative Awards to encourage and honor more of those who have implemented strong programs to protect our students, teachers and other staff,” said Attorney General Marshall. “These schools have developed innovative programs and taken practical, effective steps to combat the threat of violence that has become a terrible part of our modern society. Their dedication and resolve to provide a safe haven for learning is an inspiration to us all.”

In presenting the award today Attorney General Marshall said, “The Attorney General’s Office is proud that Lee-Scott Academy was selected as one of the winning schools in Alabama for 2019. In making this decision, judges noted many things that distinguished Lee-Scott Academy: extensive and ongoing training for staff and students, first responders’ breakfast and other collaborative efforts among first responders, key fobs for students and staff, drug testing for all students and cyber safety classes.”

Dr. Stan Cox, head of school, said, “We are honored to receive this award from the Attorney General recognizing our commitment to school safety and the emphasis we have placed on safety as a part of our school culture. We are appreciative of the support from our Board of Trustees, faculty, staff, parents and community leaders who have partnered with us to ensure that each student in our school is afforded the opportunity to attend LSA in a safe, secure environment.”
